

EMERGENCY PREPAREDNESS & RESPONSE (EPR) SURVEY

This is a voluntary survey to assist you and others in your neighborhood to prepare for disaster.

The information provided will be confidentially maintained by the area coordinator, and will only be used during an emergency.

During any incident, it is important to be able to draw from all available resources.

This information will allow us as neighbors to help individuals in effective disaster response.

The special skills, training, and capabilities of neighbors will play a vital role in coping with the effects of any disaster.
